

**BUYERS GET
BETTER HOMES.**

SplitEdge. The MI option that serves two.

**BUILDERS GET
BETTER PROFITS.**

Introducing the split that brings homebuyers and builders together. With SplitEdgeSM, you and the buyer share the cost of the MI premium. That lowers the buyer's monthly payment and protects against rising piggyback loan rates. And it can qualify buyers for better, more feature-packed homes, which means more profits for you. SplitEdge. Another financial edge from RadianSM to help you close more loans.
